## **Our God, He Is Alive!**

Many in our world today are not anti-God, they just believe that God is dead in the minds of most people in the sense that modern people show little concern for God, one way or another.

We know that "Our God, He Is Alive". By presenting God as the Creator who has spoken and the one who holds the secret to life and who grants salvation, these three verses and chorus provide evidence that God is indeed alive:

***There is, beyond the azure blue  
A God, concealed from human sight  
He tinted skies with heav'nly hue  
And framed the worlds with His great might  
There was a long, long time ago  
A God whose voice the prophets heard  
He is the God that we should know  
Who speaks from His inspired word  
Our God, whose Son upon a tree  
A life was willing there to give  
That He from sin might set man free  
And evermore with Him could live***

#### **Chorus:**

***There is a God (There is a God), He is alive (He is alive)  
In Him we live (In Him we live) and we survive (and we survive)  
From dust our God (From dust our God) created man (created man)  
He is our God (He is our God), the great I Am (the great I Am).***

Today we will celebrate our living God through two special services, this morning and this evening, for "He is our God, the Great I AM".
